

CreteX Specialty Products 25 Year Warranty

CreteX Specialty Products proudly offers a 25 year warranty on the original installation of your PRO-RING™ Manhole Adjustment System.

CreteX PRO-RING™, when properly installed is designed to meet the applicable loading and chemical resistance performance, as identified in the product specifications and related test reports, for a 50 year design life. The product is warranted to be free of defects that will impact this performance for a period of 25 years from the date of purchase.

CreteX Specialty Products will replace any PRO-RING™ that has been found to be defective upon inspection by a qualified CreteX Representative. This warranty covers the PRO-RING™ components only. This warranty does not cover installation labor, site preparation, or freight.

CreteX PRO-RING™ meets or exceeds the applicable material specifications of AASHTO M306 HS-25, ASTM C-969, and ASTM C-1244. Periodic material testing is performed to confirm that compliance has been met.
